Education

- 2021-2024 University of California, Berkeley**
Pursuing degrees in Computer Science, Data Science
Current GPA: 3.63/4.00
- 2020-2021 Los Rios Community College District**
Completed prerequisite coursework with a GPA of 4.00/4.00

Professional Experience

- 2019-2020 Apple Inc.**
Technical Advisor
Provided high-level technical support to users across the U.S and Canada for iOS and watchOS systems, resolving software and hardware issues.

Projects

Personal Portfolio Website

React UI, Chakra UI, Next.js, Three.js, Git

Leveraged cutting-edge web development technologies to build a personal portfolio website. Implemented a 3-D model using Three.js and created an iOS web view using Flutter.

end2end Encrypted File Sharing System

GoLang, Git

Engineered a client application for a secure, end-to-end encrypted file sharing system. Incorporated cryptography along with asymmetric/symmetric key functionality to ensure robust security.

gitlet

Java, Git

Built a working replica of the Git version control system, enhancing understanding of version control mechanisms and data structures.

Skills

Languages: Python, Java, GoLang, C

Development: Git

ML Libraries: PyTorch
